

WARNING: Please take time and read all our rules, safety instruction and terms. They are put in place to ensure the safety of all our patrons and avoid any serious injuries, AND MUST BE TAKEN SERIOUSLY.

- Set up and take down of inflatable bouncers must be performed by an Adult
- Adult supervision is mandatory when inflatable bouncers and equipment is in use
- All bouncers must be fully inflated before entering.
- Those people with head, back or any other physical disabilities, also including pregnant women and small infant children are not permitted to use our inflatable bouncers
- All patrons must be wearing shoes and shoes are not allowed in the inflatable bouncers
- No flips, somersaults or horseplay is permitted inside or outside the inflatable bouncers
- Do not enter the inflatable bouncers wearing glasses, jewelry or any other sharp objects
- No food, drinks, gum or silly string may be used in or around the inflatable bouncers.
- Pay close attention to Inflatable bouncer you have rented and obey the maximum occupancies.
- In event the inflatable bouncer starts to deflate. Have all the patrons calmly exit the unit immediately. (Most common reason for deflation is overload with your circuit breaker. Turn the blower off, and reset your breaker, and proceed to inflate bouncers again)
- All riders should be matched compatible in age and size when using the inflatable bouncers
- Blowers must be operated by an adult, and must be placed away from children and any obstructions.
- Keep the inflatable bouncers away from fires, water, walls or any other obstructions
- Do NOT operate the inflatable bouncers during high wind exceeding 15mph/24kph, rain, or any other weather related threats.
- No smoking near the Inflatable bouncers
- Do not allow anyone to bounce on the step /front apron. This must be strictly used for users to get on and off the unit.
